

**I NEED YOUR HELP AND SUPPORT AGAIN!!**

Since assuming my Pastorate here at Saints Cyril and Methodius in July of 2010, I have often told you that one of the most difficult things that I must do is to ask for your financial support and help. One thing I have learned over these years, is that the people of our Parish are always supportive in this way. For this I am most grateful.

Once again, I must come to you to ask for your support and help!

Our Parish's largest fund raiser is our sale of pierohy and baked goods at the holiday seasons and throughout the year. One of the most important pieces of equipment that is used is our walk-in freezer which has serviced our Parish faithfully for over forty years. This past week, however, it ceased working and cannot be repaired because parts are no longer available. Hence, a replacement is needed as soon as possible.

The replacement cost is \$10,500.00. I am coming to you to ask for your help in this necessary project by donating toward this replacement cost. I would ask that if you would be so kind to help, that you place your donation in a regular envelope, mark it "FREEZER FUND," and place it in the collection boxes at the doors of the Church or in the mail slot in the door of the Parish Office.

The products made by our parishioners have become an essential part of our holiday seasons not only for the people of Saints Cyril and Methodius, but for the people of our community and even beyond.

Our Parish depends on the revenue received from these sales to help support our assessments to the Diocese and the Catholic Schools of the Diocese. Your help in financing this project will help us reserve funds for this purpose. Please consider helping us to reach the goal to pay for this important Parish project.

I thank you once again for your support and help!

Sincerely yours in Christ,

*Reverend Michael J. Piccola, V.F.*

Pastor
